

# September Gurls

## Big Star

September gurls do so much  
I was your butch and you were touched  
I loved you, well, never mind  
I've been crying all the timeDecember boys got it bad  
December boys got it badSeptember gurls, I don't know why  
How can I deny what's inside  
Even though I'll keep away  
They will love all our days  
December boys got it bad  
December boys got it badWhen I get to bed late at night  
That's the time she makes things right  
Ooh, when she makes love to me  
September gurls do so much  
I was your butch and you were touched  
I loved you, well, never mind  
I've been crying all the timeDecember boys got it bad  
December boys got it bad  
December boys got it bad, ooh
