

September Gurls

Big Star

September gurls do so much
I was your butch and you were touched
I loved you, well, never mind
I've been crying all the timeDecember boys got it bad
December boys got it badSeptember gurls, I don't know why
How can I deny what's inside
Even though I'll keep away
They will love all our days
December boys got it bad
December boys got it badWhen I get to bed late at night
That's the time she makes things right
Ooh, when she makes love to me
September gurls do so much
I was your butch and you were touched
I loved you, well, never mind
I've been crying all the timeDecember boys got it bad
December boys got it bad
December boys got it bad, ooh
