

The Fez

Steely Dan

No I'm never gonna do it without the fez on
Oh no
No I'm never gonna do it without the fez on
Oh no
That's what I am
Please understand
I wanna be your holy man
No I'm never gonna do it without the fez on
Oh no
Ain't never gonna do it without the fez on
Oh no
That's what I am
Please understand
I wanna be your holy man
No I'm never gonna do it without the fez on
Oh no
Don't make me do it without the fez on
Oh no
That's what I am
Please understand
I wanna be your holy man
