

# The Fear

Lily Allen

I wanna be rich  
And I want lots of money  
I don't care about clever  
I don't care about funny  
I want loads of clothes  
And fuck loads of diamonds  
I heard people die while they're trying to find them  
And I'll take my clothes off  
And it will be shameless  
'Cause everyone knows that's how you get famous  
I'll look at The Sun  
And I'll look in The Mirror  
I'm on the right track  
Yeah I'm onto a winner  
I don't know what's right and what's real anymore  
And I don't know how I'm meant to feel anymore  
And when do you think it will all become clear?  
'Cause I'm being taken over by the fear  
Life's about film stars  
And less about mothers  
It's all about fast cars  
And cussing each other  
But it doesn't matter  
'Cause I'm packing plastic  
And that's what makes my life so fucking fantastic  
And I am a weapon of massive consumption  
And it's not my fault  
It's how I'm programmed to function  
I'll look at the Sun  
And I'll look in The Mirror  
I'm on the right track  
Yeah we're onto a winner  
I don't know what's right and what's real anymore  
And I don't know how I'm meant to feel anymore  
And when do you think it will all become clear?  
'Cause I'm being taken over by the fear  
Forget about guns and forget ammunition  
'Cause I'm killing them all on my own little mission  
Now I'm not a saint  
But I'm not a sinner  
And everything's cool as long as I'm getting thinner  
I don't know what's right and what's real anymore  
And I don't know how I'm meant to feel anymore  
And when do you think it will all become clear?

'Cause I'm being taken over by the fear
