## Tin Man

## America

Sometimes late when things are real And the people share the gift of gab between themselves Some are quick to take the bait And catch the perfect prize that waits among the shelvesBut Oz never did give nothing to the Tin-man That he didn't, didn't already have And 'cause never was the reason for the evenin' Or the tropic of Sir GalahadSo please, believe in me When I say I'm spinning round, round, round, round Smoke glass stain'd bright colors Image going down, down, down, down Soap sud green like bubbles Oz never did give nothing to the Tin-man That he didn't, didn't already have And 'cause never was the reason for the evenin' Or the tropic of Sir GalahadSo please, believe in me When I say I'm spinning round, round, round, round Smoke glass stain'd bright colors Image going down, down, down, down Soapsud green like bubbles No, Oz never did give nothing to the Tin-man That he didn't, didn't already have And 'cause never was the reason for the evenin' Or the tropic of Sir GalahadSo please, believe in me Song Discussions is protected by U.S. Patent 9401941.
