

I Like Girls

Rixton

I like girls oh they always look so good to me
I like girls even though they tease and torture me
I like girls I could never choose just one
That would ruin all the fun oh waho I like girlsbababum
Oh oh waho I like girls.I like girls in the summer
Girls in the fall
Girls all year I wish I could have them all
Girls from other countries with crazy names
I love it when they tell me "papi no ingles"
oh wahoh waho oh
come a little closer
oh waho waho ohI like girls oh they always look so good to me
I like girls even though they tease and torture me
I like girls I could never choose just one
That would ruin all the fun oh waho I like girls
bababum
Oh oh waho I like girls.I like girls all colours
I ain't got a type
Girls who drink bud and Smirnoff ice
Girls with big booties
Girls in tight jeans
Girls who wanna lay around and watch TV
Oh waho waho oh
come a little closer
oh waho waho oh
I like girls oh they always look so good to me
I like girls even though they tease and torture me
I like girls I could never choose just one
That would ruin all the fun oh waho I like girls
bababum
Oh oh waho I like girls.
