

# We Can Work It Out

Stevie Wonder

Try to see things my way  
Do I have to keep on talking till I can't go on? (hey)  
While you see it your way  
Run the risk of knowing that our love may soon be gone  
We can work it out  
We can work it out Think of what you're saying (hey)  
You can get it wrong and still you think that it's alright (hey)  
Think of what I'm saying (hey)  
We can work it out and get it straight, or say goodnight  
We can work it out  
We can work it out Life is very short and there's no time  
For fussing and fighting, my friend (hey)  
I have always thought that it's a crime  
So I will ask you once again (hey)  
Try to see things my way (hey)  
Only time will tell if I am right or I am wrong  
While you see it your way (hey)  
There's a chance that we may fall apart before too long  
We can work it out  
We can work it out (Ha, ha, ha, ha, ha, ha, ha, ha, hey)  
(We can work it out)  
(Ha, ha, ha, ha, ha, ha, ha, ha, hey)  
(We can work it out) Try to see things my way (hey)  
Only time will tell if I am right or I am wrong (hey)  
While you see it your way (hey)  
There's a chance that we may fall apart before too long  
We can work it out  
We can work it out  
Think of what you're saying (hey)  
You can get it wrong and still you think that it's alright (hey)  
Think of what I'm saying (hey)  
We can work it out and get it straight, or say goodnight (Ha, ha, ha, ha, ha, ha, ha, ha, hey)  
(We can work it out)  
(Ha, ha, ha, ha, ha, ha, ha, ha, hey)  
(We can work it out) (Ha, ha, ha, ha, ha, ha, ha, ha, hey)  
(We can work it out)  
(Ha, ha, ha, ha, ha, ha, ha, ha, hey)  
(We can work it out)
