

# Ain't It Funny (feat. Ja Rule & Cadillac Tah)

## Jennifer Lopez

Estoy ... loca ... enamorada ... de ti  
It seemed to be like the perfect thing for you and me  
It's so ironic you're what I had pictured you to be  
But there are facts in our lives we can never change  
Just tell me that you understand and feel the same  
This perfect romance that I've created in my mind  
I'd live a thousand lives  
Each one with you right by my side  
But yet we find ourselves in a  
Less-than-perfect circumstance  
And so it seems like we'll never have the chance  
Ain't it funny how some feelings you just can't deny  
And you can't move on even though you try  
Ain't it strange when you're feeling things  
You shouldn't feel  
Oh, I wish this could be real  
Ain't it funny how a moment could just change your life  
And you don't want to face what's wrong or right  
Ain't it strange how fate can play a part  
In the story of your heart  
Sometimes I think that a true love can never be  
I just believe that somehow it wasn't meant for me  
Life can be cruel in a way that I can't explain  
And I don't think that I could face it all again  
I barely know you  
But somehow I know what you're about  
A deeper love I've found in you, and I no longer doubt  
You've touched my heart, and it altered every plan I've made  
And now I feel that I don't have to be afraid  
Ain't it funny how some feelings you just can't deny  
And you can't move on even though you try  
Ain't it strange when you're feeling things  
You shouldn't feel  
Oh, I wish this could be real  
Ain't it funny how a moment could just change your life  
And you don't want to face what's wrong or right  
Ain't it strange how fate can play a part  
In the story of your heart  
I locked away my heart  
But you just set it free  
Emotions I felt  
Held me back from what my life should be

I pushed you far away  
And yet you stayed with me  
I guess this means  
That you and me were meant to be  
Ain't it funny how some feelings you just can't deny  
And you can't move on even though you try  
Ain't it strange when you're feeling things  
You shouldn't feel  
Oh, I wish this could be real  
Ain't it funny how a moment could just change your life  
And you don't want to face what's wrong or right  
Ain't it strange how fate can play a part  
In the story of your heart  
Ain't it funny how some feelings you just can't deny  
And you can't move on even though you try  
Ain't it strange when you're feeling things  
You shouldn't feel  
Ain't it funny how a moment could just change your life  
And you don't want to face what's wrong or right  
Ain't it strange how fate can play a part  
Ain't it funny how some feelings you just can't deny  
And you can't move on even though you try  
Ain't it strange when you're feeling things  
You shouldn't feel  
Ain't it funny how a moment could just change your life  
And you don't want to face what's wrong or right  
Ain't it strange how fate can play a part  
Ain't it funny how some feelings you just can't deny  
And you can't move on even though you try  
Ain't it strange when you're feeling things  
You shouldn't feel
