

Sooner or Later (feat. Kent Jones)

Mia Martina

Kent, Jones, treble, treble, treble
You know where I come from
in the night
Go along, yeah I've been keepin' motion
Busy girls stay up all night on it
And I know I keep you callin', even though I stay my distance
You know, they say
There's something to be said about the persistence
You know I'm a fool for that
The way you're movin', I'm a fool for that
Show girls, just what you do for this
Say you love me and I say I know, I know
Yeah, you know I'm a fool for that
Got me wonderin' what I'd do for that
Let you ride to the moon and back
Never forget it, keep doin' what you doin'
Ain't no stopping where we headed cause
Sooner or later, you got me callin'
Yeah sooner or later, you got me callin'
Sooner or later, girl, you got me callin'
So I can't keep stallin'
Yeah sooner or later, you got me callin'
Why why why why you gotta move like that?
Why do you gotta dress so like that?
I ain't even gonna try to pursue like that
'Cause the rich rich like that
So I stay away, even though we both know
I can never stay away, love like the LA
Even got no lay away, out the pay away
You know I'm a fool for that
The way you're movin', I'm a fool for that
Show girls, just what you do for this
Say you love me and I say I know, I know
Yeah, you know I'm a fool for that
Got me wonderin' what I'd do for that
Let you ride to the moon and back
Never forget it, keep doin' what you doin'
Ain't no stopping where we headed cause
Sooner or later, you got me callin'
Yeah sooner or later, you got me callin'
Sooner or later, girl, you got me callin'
So I can't keep stallin'
Yeah sooner or later, you got me callin'
You know I'm showin' the signs for you
'Cause I'm good, that's why I got you callin' now (now now now)
I know know I've been acting shy on you
'Cause I know the truth ill be the one, you hold down
Sooner or later, you got me callin'

Yeah sooner or later, you got me callin'
Sooner or later, girl, you got me callin' (kent)
So I can't keep stallin'
Sooner or later, you got me callin'Sooner or later, you got me callin' callin callin
Yeah, sooner or later, you got me callin', callin' callin
