

# Shockandawe

## Miguel

Guess what this song is about  
See, I got a destiny  
Come up off that, give it to me, yea

Oorah

Yeah, I said it

I run, I write, I rock

I ran that's right, I run

I write, I rock, I ran, I'm sayin'

United Nations keep watchin'

I'll play the hero

Media keep talkin', but who want to stop me?

I run, I write, I rock

I ran that's right, I run

I write, I rock, I ran, I'm sayin'

Bang bang, baby, break yourself

Lose control when I take the world

I dropped the bomb

Did I take your bomb?

Just shock and awe

Better brace yourself

Bang bang, give it up right now

Strip for me, baby, strip for me

I dropped the bomb

Did I take your bomb?

Just shock and awe

Better brace yourself, like Give it up, hey!

Give it up, hey!

Give it up, hey!

Give it up, hey!

I like what I see

Come up off that, give it to me, yea

Oorah

Yeah, I said it

I run, I write, I rock

I ran that's right, I run

I write, I rock, I ran, I'm sayin'

United Nations keep watchin'

I'll play the hero

Media keep talkin' but who want to stop me?

I run, I write, I rock

I ran that's right, I run

I write, I rock, I ran, I'm sayin' Bang bang, baby, break yourself

Lose control when I take the world

I dropped the bomb  
Did I take your bomb?  
Just shock and awe  
Better brace yourself  
Bang bang, give it up right now  
Strip for me, baby, strip for me  
I dropped the bomb  
Did I take your bomb?  
Just shock and awe  
Better brace yourself, like  
Bang bang, baby, break yourself  
Lose control when I take the world  
I dropped the bomb  
Did I take your bomb?  
Just shock and awe  
Better brace yourself  
Bang bang, give it up right now  
Strip for me, baby, strip for me  
I dropped the bomb  
Did I take your bomb?  
Just shock and awe  
Better brace yourself, like Give it up, hey!  
Give it up, hey!  
Give it up, hey!  
Give it up, hey!
