

Shorty

B2K

Verse 1 (Omarion)

Shorty was 5'5 hair cut like a bowl
Lookin like a model from the cover of vogue
Sexy momma, body bangin out of control
She lookin at me, but I ain't fa sho
She was the hottest gurl I eva seen before
Said to myself, "gotta get her fa sho"
Stepped up to her with my playa approach
And said, "hey lil lady please give me ya name and..."

Chorus (2x)

What up there, shorty?
Lookin sexy in ya jeans there, shorty
Got me actin like a fiend there shorty
So gurl won't you come and be my shorty (uh uh)

Verse 2 (Omarion)

For the 1st 5 minutes she was sweatin me
But I could tell that she liked the way I sag my jeans
I said, "sweetie do you wanna take a ride wit me?"
Told my boys that she could be the one for me
So I said, "baby can I be the man you need?"
Holla at me mommy if you feelin me
I whispered in her ear and she smiled at me
I said, "hey lil shorty would you be my girlfriend?"

Chorus

Rap (Lil Fizz)

Soditty and Pretty- just how I like 'em
When a girl talk mess, she always down to fight 'em
A thug appeal that's real- she don't say hi
She like, "yo what's the deal?"
A girl that pop her collar that'll make her own dollar
She don't like a Benz she like a '64 Impala
One that can hold her own
Sneak me in when pops ain't home
Tuck the chrome and say she love me in a sexy tone

Chorus (3x)
