

Sweet Emotion

Aerosmith

Sweet Emotion Sweet Emotion You talk about things that nobody cares
You're wearing out things that nobody wears
You're calling my name but I gotta make clear
I can't say baby where I'll be in a year
When Some Sweet Talkin' Mama with a face like a gent Said my get up and go musta got up
and went
Well I got good news, she's a real good liar 'Cause the backstage boogie set your pants on
fire Sweet Emotion Sweet Emotion When I pulled into town in a police car
Your daddy said I took it just a little too far
You're telling me things but your girlfriend lied
You can't catch me 'cause the rabbit done died
Yes it did
You stand in the front just a shakin' your ass
I'll take you backstage, you can drink from my glass
I'll talk about somethin' you can sure understand
'Cause a month on the road and I'll be eaten from your hand
