Rooney

Stay away from my friends They're smooth operators Looking for a way inStay away from me tonight I've made other plans And you'll just be distracting me In a good wayShe doesn't know That I love her Yes, I love herMake a move on me baby I can't be the one Who's always taking chances See me down so you get down No you've got me all wrong I just want to kiss your lips And you kiss backShe doesn't know That I love her Yes. I love her She doesn't know That I love herLeave us alone Leave us alone Leave us aloneYour friends and my friends Leave us alone Your friends and my friends Should go far away She doesn't know That I love her Yes, I love her, yeahShe doesn't know That I love her Yes, I love her, yeah Song Discussions is protected by U.S. Patent 9401941.
