

I Remember

Damien Rice

I remember it well, the first time that I saw
Your head 'round the door 'cause mine stopped working
I remember it well, there was wet in your hair
I was stood in the stair and time stopped moving I want you here, tonight I want you here
'Cause I can't believe what I found
I want you here tonight, want you here
Nothing is taking me down, down, down I remember it well, taxied out of a storm
To watch you perform and my ships were sailing
I remember it well, I was stood in your line
And your mouth, your mouth, your mind
Want you here tonight, want you here
'Cause I can't believe what I found
I want you here tonight, want you here
Nothing is taking me down, down, down
'Cept you my love
'Cept you my love Come all ye lost
Dive into moss
And hope that my sanity covers the cost
To remove the stain of my love
Paper mache Come all ye reborn
Blow off my horn
I'm driving real hard
This is love, this is porn
God would forgive me
But I, I whip myself scorn, scorn
And I wanna hear what you have to say about me
Hear if you're gonna live without me
I wanna hear what you want
I remember December And I wanna hear what you have to say about me
Hear if you're gonna live without me
I wanna hear what you want
What the hell do you want?
