

# Get Ugly

## Jason Derulo

Girl, ladies, let your hurr down  
Let your hurr down  
We's about to get down Oh my, oh my, oh my god  
This girl straight and this girl not  
Tippy off that peach Ciroc  
Like la la la  
Ching-a-lang-lang, ching-a-ling-a-lang-lang  
Jeans so tight I could see loose change  
Do your thang, thang, girl Do that thang like la la la  
Tell them pretty faced girls tryna grabs each other  
And them undercover freaks who ain't nun' but trouble  
Baby, I'mma tell you some' only cause I love ya  
People all around the world sexy motherfuckers  
Get ugly  
Yeah, get ugly, baby  
Get ugly  
You're too sexy to me  
Sexy to me  
You're too sexy to me Sexy to me  
So sexy  
Damn, that's ugly  
Bruh, I can't, I can't even lie  
I'm about to be that guy  
Someone else gon' have to try me  
La la la Bang-a-rang-rang, bang-a-ring-a-rang-rang  
Bass in the trunk, vibrate that thang  
Do your thang, thang, girl  
Do that thang like la la la  
Tell them pretty faced girls tryna grabs each other  
And them undercover freaks who ain't nun' but trouble  
Baby, I'mma tell you some' only cause I love ya  
People all around the world sexy motherfuckers  
Get ugly  
Get ugly, baby, woo hoo  
And everybody say la la la Get ugly  
You're too sexy to me  
Sexy to me  
You're too sexy to me  
Sexy to me  
So sexy Damn, that's ugly  
Ay, Ricky  
This beat give me that ugly face, man

Everybody lose control  
Let's get ugly, dysfunctional  
Everybody lose control  
Let's get ugly, dysfunctional  
Tell them pretty faced girls tryna grab each other  
And them undercover freaks who ain't nun' but trouble  
Baby, I'mma tell you some' only cause I love ya  
People all around the world sexy motherfuckers  
Light them up then pass that, pass that  
La la la  
Everybody lose control  
Let's get ugly, dysfunctional  
Get ugly  
You know what I'm talking about  
You're too sexy to me  
Sexy to me  
You're too sexy to me  
Sexy to me  
So sexy  
Damn, that's ugly.
