

Boys

Ashlee Simpson

Some say I make the guys, hypnotized
When I bat my eyes and walk by
They say I'm such a tease
But that's just me
Take it or leave it baby Don't mean to impose boy I'll let you know
You're hearing me sayin'
I'm sayin' no
I'm not one of those girls that you think that you know
You can talk that talk. Listen[Refrão]
Boys, boys, boys, they gimme gimme, they gimme
They follow my voice
Boys, boooys, they gimme gimme, they gimme
Some say that I always incenuate
I can get my way, so true
Because my kiss is like, kryptonite
I can make them weak I'm so cruel Don't mean to impose boy I'll let you know
You're hearing me sayin'
I'm sayin' no
But you'll never get the best of me
Cuz' I get what I want and I know what I need[Refrão]
Boys, boys, boys, they gimme gimme, they gimme
They follow my voice
Boys, boooys, they gimme gimme, they gimme Use your head but not that one
One track mind. Your one track mind
Use your head but not that one
One track mind. Your one track mind
Don't mean to impose boy I'll let you know
You're hearing me sayin'
I'm sayin' no
But you'll never get the best of me
Cuz' I get what I want and I know what I need[Refrão x2]
Boys, boys, boys, they gimme gimme, they gimme
They follow my voice
Boys, boooys, they gimme gimme, they gimme Boys, Booooys
Boys, Booooys
