

# Friend (Hard Times)

## Galantis

Hard time forgiving  
Even harder forgetting  
Before you do something  
You might regret friend  
Hard time forgiving  
Even harder forgetting  
Before you do something  
You might regret friend  
You might regret friend  
Hard time forgiving  
Even harder forgetting  
Before you do something  
You might regret friend  
Hard time forgiving  
Even harder forgetting  
Before you do something  
You might regret friend  
Hard time forgiving  
Even harder forgetting  
Before you do something  
You might regret friend  
You might regret friend  
Hard time forgiving  
Even harder forgetting  
Before you do something  
You might regret friend  
Hard time forgiving  
Even harder forgetting  
Before you do something  
You might regret friend
