

# Family Tree

## Caylee Hammack

Sister smoked all the camels in the county last week  
She cleaned out the 7-Eleven, sneaking in, smelling like nicotine  
Mama's burning chicken for the tupperware party tonight  
And daddy's asleep in his chair the  
TV's blaring the stats for halftime

Whoa, ohh, oh, oh

Real life can get real funny

Whoa, ohh, oh, oh

We got more love than we got money

Some swing a little higher

Some'll just hang low

A few of us are on fire to get out

And some just wanna stay home

But it don't matter

Cause the roots run deep

Ain't nothing gonna shake our

Family Tree

Whoa, ohh, oh, oh

Whoa, ohh, oh, oh

Grandma sold her Maytag dryer to post my uncle's bail  
He'll be hanging her laundry til there's a snow storm in Hell

Me and my cousins like to take a Sunday drive

Roll one up before pot-luck lunch and get high school high

Whoa, ohh, oh, oh

Real life can get real funny

Whoa, ohh, oh, oh

We got more love than we got money

Some swing a little higher

Some'll just hang low

A few of us are on fire to get out

And some just wanna stay home

But it don't matter

Cause the roots run deep

Ain't nothing gonna shake our

Family Tree

Ain't nothing gonna shake our

Family Tree

Whoa, ohh, oh, oh

Whoa, ohh, oh, oh

Some of us got problems but everybody's alright

Some of us got big plans and some are just planning on gettin' by

Some of us got problems but they love us anyway

Through thick and thin, hell we're still kin at the end of the day

Some swing a little higher  
Some'll just hang low  
A few of us are on fire to get out  
And some just wanna stay home  
But it don't matter  
Cause the roots run deep  
Ain't nothing gonna shake our  
Family Tree  
Ain't nothing gonna shake our  
Family Tree  
Whoa, ohh, oh, oh  
Life can get real funny  
Whoa, ohh, oh, oh  
We got more love than we got money  
Ain' t nothing gonna shake our Family Tree  
Whoa, ohh, oh, oh  
Ain't nothing, Ain't nothing  
Ain't nothing Gonna shake our Family Tree
