

Fire and Ice (2005 Remaster)

Pat Benatar

Ooh, you're giving me the fever tonight
I don't wanna give in, I'd be playing with fire
You forget, I've seen you work before
Take 'em straight to the top, leave 'em crying for more
I've seen you burn 'em before
Fire and ice
You come on like a flame, then you turn a cold shoulder
Fire and ice
I wanna give you my love, but you'll just take a little piece of my heart
You'll just tear it apart
Moving in for the kill tonight
You got every advantage when they put out the lights
It's not so pretty when it fades away
'Cause it's just an illusion in this passion play
I've seen you burn 'em before
Fire and ice
You come on like a flame, then you turn a cold shoulder
Fire and ice
I wanna give you my love, but you'll just take a little piece of my heart
So you think you got it
all figured out
You're an expert in the field, without a doubt
But I know your methods inside and out
And I won't be taken in by fire and ice
Fire and ice
You come on like a flame, then you turn a cold shoulder
Fire and ice
I wanna give you my love, but you'll just take a little piece of my heart
You come on like a
flame, then you turn a cold shoulder
Fire and ice
I wanna give you my love, but you'll just take a little piece of my heart
You come on like a flame, then you turn a cold shoulder
Fire and ice
You come on like a flame, then you turn a cold shoulder
Fire and ice
