

Pass The Peas

The J.B.'s

Hey Bobby, why do you like soul food?
Because it makes me ... ha-a-a-py Pass the peas, the cheese,

Pass the peas like we used to say it

Pass the peas like we used to say it

Pass the peas like we used to say it

Come on now!(Trombone solo)

Pass the peas

Pass the peas

Pass the peas

Pass the peas

Pass the peas

Pass the peas

Pass the peas

Pass the peas

Pass the peas

Pass the peas

Pass the peas

Pass the peas

(fade)
