

Left Ey3

Kreayshawn

Caught my man cheating
Now I'm rolling through the west side
'bout to burn this fucking house down
Like I'm left eye
Like I'm left eye
'bout to burn this motherfucker down like I'm Left Eye
Heard my man is cheating with another bitch at my house
Now I'm gonna make a scene like I'm Amy Winehouse!
Amy Winehouse
Amy Winehouse
'bout to burn this motherfucker down like Amy Winehouse!
I don't need no TLC
All I need is THC
Higher than miss Courtney Love
Murder in the first degree
Certainly you got me confused with them stupid broads
Shooting dice in the streets taught me how to play the odds
I find it odd that your tweter page is private
You got two phones, one of them stays silent
Now who the fuck is calling in the middle of the night?
They hangin' up when I pick up, I'm bout to grab my knife
You trynna play me like a boss
But your finna take a big loss
When you fall asleep I'm 'bout to cut your fuckin' dick off
I'm about to call my goons and stick you for you guap
You tell a lot of lies but I let my bullets talk
You think you slick?
But this might be your big regret
Those pictures of your skinny dick are finna hit the internet
I should key your car but I'd rather slap your mom
Only a bitch can give birth to such a fucking
dog
Caught my man cheating
Now I'm rolling through the west side
'bout to burn this fucking house down
Like I'm left eye
Like I'm left eye
'bout to burn this motherfucker down like I'm Left Eye
Heard my man is cheating with another bitch at my house
Now I'm gonna make a scene like I'm
Amy Winehouse! Amy Winehouse Amy Winehouse 'bout to burn this motherfucker down like
Amy Winehouse!
I'm about to run up in this bitch with choppas like I'm Patty Hearst
Stylish but violent, I'll leave you in a tinted hearse

In my purse I got that .22 to get the job done
And V-nasty whips the get away, you know how I
mob son!

I'm Lorena Bobbitt chillin' in your bed
I'm Britney Spears on Hella drugs and I just shaved my
head

Fuck the feds and the police
Ain't nobody touchin' me

Thelma and Louise
Suicide girl thuggery!

Caught my man cheating
Now I'm rolling through the west side

'bout to burn this fucking house down

Like I'm left eye

Like I'm left eye

'bout to burn this motherfucker down like I'm Left Eye

Heard my man is cheating with another bitch at my house

Now I'm gonna make a scene like I'm Amy Winehouse!

Amy Winehouse

Amy Winehouse

'bout to burn this motherfucker down like Amy Winehouse!
