Jackie's Strength

Tori Amos

A Jackie, a-Jackie, a-Jackie's strength A Jackie, a-Jackie, heyA Bouvier till her wedding day Shots rang out the police came

Mama laid me on the front lawn

And prayed for Jackie's strengthFeeling old by twenty one

Never thought my day would come

My bridesmaid's getting laid

I pray for Jackie's strengthMake me laugh, say you know what you want

You said we were the real thing

So I show you some more and I learn

What black magic can do

Make me laugh, say you know you can turn

Me into the real thing

So I show you some more and I learnStickers licked on lunch boxes

Worshipping David Cassidy

Yeah I mooned him once on Donna's box

She's still in recoverySleepovers, Beene's got some pot

You're only popular with anorexia

So I turn myself inside out

In hope someone will see, will seeMake me laugh, say you know what you want

You said we were the real thing

So I show you some more and I learn

What black magic can doMake me laugh, say you know you can turn

Me into the real thing

So I show you some more and I learn

Jackie's strengthI got lost on my wedding day

Typical, the police came, oh

But virgins always get backstage

No matter what they've got so sayIf you love enough you'll lie a lot

Guess they did in Camelot

Mama's waiting on my front lawn

I pray, I pray

I said I pray for Jackie's strength, strengthMake me laugh, say you know what you want

You said we were the real thing

So I show you some more and I learnA Jackie, a-Jackie, a-Jackie's strength

A Jackie, a-Jackie, hey
