## **Pure Hatred**

## Chimaira

I have told you things need to change You never listened or came to my aid The vicious cycle has not changed My time's spent rearrangedMotherfuck it all I can't stand this Remember when I said Everyone makes me sick Well nothing has changedI hate everyone I hate everyoneThis vicious cycle still remains Constant clusterfuck, bloodstains Ignorance, you kill for God Expression not allowed You fucked it up With your motherfucking games Remember when I said I was so ashamed Well nothing has changedI hate everyone I hate everyoneYou have to Pick and choose your fights You have to Come out of this aliveI have told you things neeed to change You never listened or came to my aid The vicious cycle still not changed My judgment fades away You'll never change me Remember we are through I am staying here To betray all of you And nothing will changeI hate everyone I hate everyone I hate everyone I hate, and I hate, and I hate everyone
