## River

## **Ben Platt**

You say there's so much you don't know You need to go and find yourself You say you'd rather be alone'Cause you think you won't Find it tied to someone elseOoo, who said it's true

That the growing only

Happens on your own?

They don't know me and youI don't think you have to leave

If to change is what you need

You can change right next to me

When you're high, I'll take the lows

You can ebb and I can flow

And we'll take it slow

And grow as we go

Grow as we go

You won't be the only one

I am unfinished, I've got

So much left to learn

I don't know how this river runs

But I'd like the company

Through every twist and turnOoo, who said it's true

That the growing only

Happens on your own?

They don't know me and youYou don't ever have to leave

If to change is

What you need

You can change

Right next to me

When you're high,

I'll take the lows

You can ebb and I can flow

And we'll take it slow

And grow as we go

Grow as we go

Grow as we go

Grow as we goI don't know who

We'll become

I can't promise it's

Not written in the stars

But I believe that

When it's done

We're gonna see

That it was better

That we grew up togetherTell me you don't

Wanna leave

'Cause a change

Is what you need

You can change

Right next to me

When you're high,

I'll take the lows

You can ebb and

I can flow

And we'll take it slow

And grow as we go

Grow as we go

Grow as we go

Grow as we go
