Multiply (Herbert's Hoedown Bump Instrumental)

[Jamie Lidell](#)

Well sure it never used to be
so hard
this hard
used to get those kicks for free
but now I'm toeing the lineThis ain't no way to be
stuck between my shadow and me
put it where the sun don't shine
although I'll tell you that I'm doing fineI'm so tired of repeatin' myself
beatin' myself up
gonna take a trip and multiply
wanna 'least go under with a smile
I'm so tired of repeatin' myself
beatin' myself up
gonna take a trip and multiply
wanna 'least go under with a smileSure never used to be
in trouble
so much trouble
love is just a shackle I see
goin' out of my mindthis ain't no way to be
stuck between my shadow and me
the sun's going down
it's getting dark in here
still folks see
I got nothing to fear
I'm so tired of repeatin' myself
beatin' myself up
gonna take a trip and multiply
wanna 'least go under with a smileI'm so tired of repeatin' myself
beatin' myself up
gonna take a trip and multiply
wanna 'least go under with a smilePeople on the street
there are many many
people on the moon
there ain't any any
shame... yeah ...ooh
runnin' down the same old cold
takin' it down 'cause I got no controlI'm so tired...
soooooooI'm so tired of repeatin' myself
beatin' myself up
wanna take a trip and multiply

wanna 'least go under with a smileI'm so tired of repeatin' myself
beatin' myself up
wanna take a trip and multiply
wanna 'least go under with a smile
