

# Radar Detector

## Darwin Deez

You and I buy star maps and drive my car around Los Angeles  
You and I buy star maps and ding dong ditch a televangelist  
It's only been a week  
But I know that you are mine to keep  
You are a radar detector  
I drive 1,000 miles an hour  
I won't go on and on  
But you are always looking out for me  
You and I go shopping and find exactly what we're  
looking for  
You and I go shopping and fall asleep inside the mattress store.  
We cruise the neighborhood  
But it's not supposed to feel this good  
You are a radar detector  
I drive 1,000 miles an hour  
I won't go on and on  
But you are always looking out for me because  
You are a radar detector  
You are a radar detector  
I drive 1,000 miles an hour  
I won't go on and on and on and  
You are always looking out for me  
When I'm driving around, you are a radar detector
