

# I Want to Be Your Man (7" Version)

Roger

Hey, lady, let me tell you why  
I can't live my life without you (Oh, baby)  
Every time I see you walkin' by, I get a thrill  
You don't understand, but in time you will  
I must make you understand I want to be your man (I want to be your man)  
I want to be your man (Yes, I do, baby)  
I want to be your man (I want to be your man)  
I want to be your man (I want to be your man) Better not pass me by  
'Cause if you do you'll lose a good thing (Oh, baby)  
'Cause what I've got to say  
Is sealed with a kiss and a wedding ring (Wedding ring)  
My mind is blind, at times I can't see anyone but you  
Those other girls don't matter, no, they can't spoil my view  
I must make you understand I want to be your man (I want to be your man)  
I want to be your man (Yes, I do, baby)  
I want to be your man (I want to be your man)  
I want to be your man (I want to be your man) Words can never say what I feel  
It's too intense  
I tried, I tried, I tried, I tried to tell you how I feel  
But I get mixed up (So mixed up) My mind is blind, at times I can't see anyone but you  
Those other girls don't matter, no, they can't spoil my view  
I must make you understand I want to be your man (I want to be your man)  
I want to be your man (Yes, I do, baby)  
I want to be your man (I want to be your man)  
I want to be your man (I want to be your man)  
I want to be your man (I want to be your man)  
I want to be your man (Yes, I do)  
I want to be your man  
I want to be your man (I want to be your man) I want to be your man (Yes, I do, baby)  
I want to be your man (I want to be your man)
