New Moon (The Meadow)

Alexandre Desplat

Strip this pain you left me with crave me still I'm screaming out your name Free me from this forsaken road erase my fears of living my life aloneescape the rain, run to me, cradle me, yearn for me, can you hear my cries, escape the rain, how do I escape the rain keep me alive, revive my love, I need you, whisper my name. break down these walls, uncloud my day, help me breathe, don't give up on me now.escape the rain, run to me, cradle me, yearn for me, can you hear my cries, escape the rain, how do I escape the raincan you heal this wound from bleeding inside inside x 3 escape the rain, run to me. cradle me, yearn for me, can you hear my cries, escape the rain, how do I escape the rain
