

Handle It (feat. DeJ Loaf & Lil Yachty)

Chris Brown

Say you can handle liquor but can you handle me? (No)
Drunk all night drinking that Hennessy
(Drunk all night, oh, can you?)
Handle liquor but can you handle me?
(Can you handle me? Oh)
Drunk all night (drunk all night)
Can you handle me? (Ooh)
Can you handle me? (Yeah)
Can you handle me? (Ooh)
Can you handle me? (Yeah)

Drunk all night Never, never been a lightweight
Bitch, I always been a heavyweight
Don't never call me Mayweather
I promise I can do it better
Yeah, yeah, yeah, you know what it is
Soon as you pull up, sex is what it is
Don't you ask no questions
This could be a blessing, yeah
Two shots got me feeling myself
No telling what I'd do with my hands
Specially if they play my jam, might end up between you legs
I might just take you with me
Yeah, you know I'm a freak, yeah
Say you can handle liquor but can you handle me? (No)
Drunk all night drinking that Hennessy
(Drunk all night, oh, can you?)
Handle liquor but can you handle me?

Bitch, I'm lit, lit, lit, like a candle be (lit, lit, lit, yeah)
Can you handle me? (Ooh)
Can you handle me? (Yeah)
Bitch, I'm lit, lit, lit, like a candle be (lit, lit, lit, yeah)
Bitch, I'm lit, lit, lit, like a candle be (lit, lit, lit, yeah)
Say you can handle liquor but can you handle me? (No)
