

# You & I

## One Direction

I figured it out  
I figured it out from black and white  
Seconds and hours  
Maybe they had to take some time I know how it goes  
I know how it goes from wrong and right  
Silence and sound  
Did they ever hold each other tight, like us?  
Did they ever fight, like us? You and I  
We don't wanna be like them  
We can make it 'till the end  
Nothing can come between  
You and I  
Not even the Gods above  
Can separate the two of us  
No, nothing can come between You and I  
Oh, you and I figured it out  
Saw the mistakes of up and down  
Meet in the middle  
There's always room for common ground I see what it's like  
I see what it's like for day and night  
Never together  
'Cause they see things in a different light, like us  
They never tried, like us  
You and I  
We don't wanna be like them  
We can make it 'till the end  
Nothing can come between You and I  
Not even the Gods above  
Can separate the two of us 'Cause you and I We don't wanna be like them  
We can make it 'till the end  
Nothing can come between  
You and I Not even the gods above  
Can separate the two of us  
No, nothing can come between  
You and I You and I Oh, you and I  
Oh, you and I We can make it if we try  
You and I Oh, you and I
