

# Freaks Like Me (featuring Mack Z & the ALDC)

Todrick Hall

Hey, don't listen to them  
You guys are perfect just the way you are  
Sure, you might be a little different  
But in your own way, you're wickedly cool You try to knock me down but I get up again  
It's time to break out the spots you try to put me in Cause we are, we are, we are the quirky ones  
We all, we all just want to have some fun  
We live, we love, we want to laugh out loud  
Yolo, so watch me work it out  
Cause tonight, for the first time, I'm loving who I be  
Turn it up for all the freaks like me  
Tonight, I'm feeling so fine, I'm loving who I see  
Turn it up for all the freaks like me  
Freaks like me, the freak, freaks like me You throw your sticks and stones but I've got armor  
now  
You know the old me's gone, she had to take a bow Cause we are, we are, we are the quirky ones  
We all, we all just want to have some fun  
We live, we love, we want to laugh out loud  
Yolo, so watch me work it out  
Cause tonight, for the first time, I'm loving who I be  
Turn it up for all the freaks like me  
Tonight, I'm feeling so fine, I'm loving who I see  
Turn it up for all the freaks like me  
Freaks like me, the freak, freaks like me This one's for the ones in the back row  
This beat's for the kids with their heads low  
They can throw it low, go, try to steal your glow  
But you gotta go home with the show though  
It's just the beginning, yo  
And they know your hashtag winning, yo  
So you just keep on winning, yo  
And baby just keep swimming, just keep swimming  
Cause we're about to start, dosing  
Man these haters wanna start, posing  
Ain't tripping like what, we tripping like snow  
Let it go, let it go, frozen  
So shake those pom poms  
If you know you the bomb, bomb  
I can't hear you dot com, com  
Too busy starring on Dance Moms Tonight, for the first time, I'm loving who I be  
Turn it up for all the freaks like me  
Tonight, I'm feeling so fine, I'm loving who I see

Turn it up for all the freaks like me  
Tonight, for the first time, I'm loving who I be  
Turn it up for all the freaks like me  
Tonight, I'm feeling so fine, I'm loving who I see  
Turn it up for all the freaks like me  
Freaks like me, the freak, freaks like me  
Freaks like me, the freak, freaks like me  
Freaks like me, the freak, freaks like me  
Freaks like me, the freak, freaks like me
