

# Miss Misery

## Nazareth

Since you came into my life  
It's the same old situation  
Empty days and lonely nights  
Filled with bitterness and frustration. Walking lonely in the cold  
Trying to find the answer  
Spend my money on a crystal ball  
And the charms of a gypsy dancer  
Trying to break the spell you hold on me. Chorus:  
You're miss misery  
That song you lay on me  
Set me free, set me free  
Please, please, please.  
Every day is filled with shame  
My nights are filled with anger  
Hollow lies, forced denial  
If you told the truth I can't remember. You know, I've got to find my way  
Got to find a reason  
Got to find your weakness  
So I can end your witchin' season  
Got to break this spell you hold on me. Chorus: Lead  
Can't think how I got myself  
Caught up in this nightmare  
Evil schemes, midnight screams  
Come on somebody listen to my prayer.  
I'd give all I've got to give  
Just to find my way out  
Got it goin' but I can't let go  
I'm trapped on this crazy roundabout  
Tryin' to break this spell you hold on me. Chorus:
