Hello, Hello  
Welcome to Everything You've Ever Learned  
Brought to you by  
Do you want everything?  
Then, you can have everything  
But what is everything?  
(Worth?)Do you wish for nothing?  
Then, you will have nothing  
Now, that is somethingDo you wanna see it all?  
Well, you can just open your eyes  
The one who is prepared, is never surprisedDo you wanna question everything?  
Then, think of a good questionDo you wanna start a fire?  
Well, you can watch it burnDo you wanna learn?  
Then, shut up and learn  
Do you wanna learn?  
Then, shut up  
Shut up  
Shut up and learnShut up!  
Shut up!
