## **Brand New Day**

## **Sting**

How many of you people out there Been hurt in some kind of love affair? And how many times did you swear That you'd never love again? How many lonely, sleepless nights? How many lies, how many fights? And why would you want to

Put yourself through all of that again?Love is pain I hear you say

Love is a cruel and bitter way of

Paying you back for all the faith you ever had in your brain

How could it be that what you need the most

Can leave you feeling just like a ghost?

You never want to feel so sad and lost againOne day you could be looking

Through an old book in rainy weather

You see a picture of her smiling at you

When you were still together

Or you could be walking down the streetAnd who should you chance to meet?

But that same old smile you've been thinking of all day?Why don't we turn the clock to zero honey

I'll sell the stock we'll spend all the money We're starting up a brand new dayTurn the clock all the way back

I wonder if she'll take me back

I'm thinking in a brand new wayTurn the clock to zero sister

You'll never know how much I missed her

I'm starting up a brand new day

Turn the clock to zero boss

The rivers wide we'll swim across

We're starting up a brand new dayIt could happen to you

Just like it happened to me

There is simply no immunity

There's no guaranteeI say love is such a force if you find yourself in it

You need some time for reflection

You say, baby wait a minute, wait a minute

Turn the clock to zero honey

I'll sell the stock we'll spend all the moneyWe're starting up a brand new day

Turn the clock to zero Mack

I'm begging her to take me back

I'm thinking in a brand new way

Turn the clock to zero boss

The river's wide we'll swim acrossWe're starting up a brand new day

Turn the clock to zero buddy

Don't wanna be no fuddy duddy

We're Starting up a brand new day
I'm the rhythm in your tune
I'm the sun and you're the moonI'm the bat and you're the cave

You're the beach and I'm the wave

I'm the plough and you're the land

You're the glove and I'm the hand

I'm the train and you're the station

I'm the flagpole to your nation

I'm the present to your future

You're the wound and I'm the suture

You're the magnet to my pole

I'm the devil in your soul

You're the pupil I'm the teacher

You're the church and I'm the preacher

You're the flower I'm the rain

You're the tunnel I'm the train

Stand up all you lovers in the world

Stand up and be counted, every boy and every girl

Stand up all you lovers in the world

We're starting up a brand new day

You're the crop to my rotation

You're the sum of my equation

I'm the answer to your question

If you follow my suggestion

We can turn this ship around

We'll go up instead of down

You're the pan and I'm the handle

You're the flame and I'm the candle

I'm the bee and your the flower

You're the princess in the tower

I'm the mast and your the sail

I'm the hammer your the nail)

Stand up, all you lovers in the world

Stand up and be counted, every boy and every girl

Stand up, all you lovers in the world

We're starting up a brand new day
