Kiss Me Again (feat. Alex Gaskarth)

We Are The In Crowd

I gotta say
Something I've been thinkin bout
I can't wait
To lay around with you
And tell you all
The secrets I've been keeping to myselfIt's been awhile
Since I've felt butterflies
Do you feel the same way tooIf every single second
Could last that much longer
Would you hold meAnd kiss me again
Underneath the moonlight
You're more than a friend
I knew it from the first sight
Hold me feel my heartbeat
Put your arms around meAnd kiss me againI've gotta say
I wasn't expecting you
To come this way
And fall into my arms
And now I know
I can't deny this feeling any longerI close my eyes
I can't stop thinking bout you
Crack a smile
I just can't lose
At a mile-a-minute
My heart beats to the limit
When I'm with you
So kiss me again
Underneath the moonlight
You're more than a friend
I knew it from the first sightHold me feel my heartbeat
Put your arms around meAnd kiss me againI can't let you go
Can't let you float away
Cause that would be a mistake
I'm not ready to run
Can't let you go
To waste, noAnd kiss me again
Underneath the moonlight
You're more than a friend
I knew it from the first sightHold me feel my heartbeat
Put your arms around meAnd kiss me again
