

# Shooting Star

## Bad Company

Johnny was a school boy when he heard his first Beatles song  
Love Me Do, I think it was and from there it didn't take him long  
Got himself a guitar, used to play every night  
Now he's in a rock & roll outfit, and everything's all right  
Don't you know?  
Johnny told his Momma, Hey Momma I'm goin' away  
I'm gonna hit the big time, gonna be a big star someday  
Momma came to the door with a tear drop in her eye  
Johnny said, Don't cry Momma smile & wave goodbye  
Don't you know, yeah, yeah  
Don't you know that you are a shooting star  
Don't you know, don't you know  
Don't you know that you are a shooting star  
And all the world will love you just as long  
As long as you are  
Johnny made a record, went straight up to number one  
Suddenly everyone loved to hear him sing the song  
Watching the world go by, surprisin' it goes so fast  
Johnny looked around him and said Well, I made the big time at last  
Don't you know, don't you know  
Don't you know that you are a shooting star  
Don't you know, woah yeah  
Don't you know that you are a shooting star, yeah  
And all the world will love you just as long  
As long as you are, a shooting star  
(guitar solo)  
Don't you know that you are a shooting star  
Don't you know, ahhh  
Don't you know that you are a shooting star  
And all the world will love you just as long  
As long as you are  
Johnny died one night, died in his bed  
Bottle of whiskey, sleepin' tablets by his head  
Johnny's life passed him by like a warm summer day  
If you listen to the wind, you can still hear him play  
Woah...  
Don't you know that you are a shooting star  
Don't you know, don't you know  
Don't you know that you are a shooting star  
Don't you know  
Don't you know that you are a shooting star  
Don't you, don't you, don't you, don't you, don't you know  
Don't you know you are a shooting star  
(improvise)  
Na, na, na, na.

(Lead guitar fills in background)
