

No Mediocre (feat. Iggy Azalea)

T.I.

All I fuck is bad bitches
I don't want no mediocre
I don't want no mediocre
I don't want no mediocre no
Bad bitches only
Ain't no mediocre
Don't want no mediocre
I won't hit no mediocre
You a bad bitch
Stuntin on the mediocre
Stuntin on the mediocre
Stuntin on the mediocre
7 bitches with me and ain't none of them mediocre
From they head to they toes they so far from mediocre
Right hand in the air
I solemnly swear
I never fuck a bitch if she don't do her hair
No more, you won't get no dick if there's a bush down there
Girl I should see nothing but pussy when I look down there
You come fuck with a nigga what better to do
He call to ask how you doin tell him better than you, yeah
I'm kicked back with four pieces like a kit kat
Me fucking if you ain't a dime, just forget that
Pretty face fat ass, if she don't have
Have one of these, well I think I'll pass
I just handed her the keys to a new drop Jag
When she took it I took it back
You shoulda asked for a Benz
That's mediocre bitch
All I fuck is bad bitches
I don't want no mediocre
I don't want no mediocre
I don't want no mediocre no
Bad bitches only
Ain't no mediocre
Don't want no mediocre
I won't hit no mediocre
You a bad bitch
Stuntin on the mediocre
Stuntin on the mediocre
Stuntin on the mediocre
7 bitches with me and ain't none of them mediocre

From they head to they toes they so far from mediocre Heard he want to lay it down on Iggy

Iggy

Gave it to him twice

Now he want a 3, Mike Bibby diva

But I need a bad boy

Rest in peace Whitney pardon me

But I don't think none of these bitches fucking with me

Want a billboard bitch stop running in place

Heels on me saying gimme 6 inches of space

Courtside while designer frames cover my face

Now everybody in the game wanna get em a taste

I'm still Grand Hustle first lady fuck you pay me

Bet he won't go 12 rounds with the million dollar baby

I can change your life quick stop playing with me

And if you ain't talking money what you saying to me All I fuck is bad bitches

I don't want no mediocre

I don't want no mediocre

I don't want no mediocre no

Bad bitches only

Ain't no mediocre

Don't want no mediocre

I won't hit no mediocre

You a bad bitch

Stuntin on the mediocre

Stuntin on the mediocre

Stuntin on the mediocre

7 bitches with me and ain't none of them mediocre

From they head to they toes they so far from mediocre I'm in Brazil with a bitch

Catch me in a mansion in the hills with a bitch

Get her out dem tennis shoes

Throw some heels on a bitch

I'm the type of nigga split a mil with a bitch

Hold up, only if she bad though

Out here trying to find someone that better than my last go

Take her to my castle

Drown her in my cash flow

Say your dick so little she can fit it in her asshole

Told me she can write this shit

No further than a cab go

Said I got that don dick

She wanna be my tutor

So she give me brain getting head on the scooter

Had sex on the beach

From Bermuda up to Cuba

I done fucked a lot of dimes

But I'm looking for a cute bitch

You the shit

What she say when she got to sit

When I ain't around

Give a damn who you do it with
Super thick pretty face
Ménage à veinte
20 at the same time
Wanna get ya rent paid All I fuck is bad bitches
I don't want no mediocre
I don't want no mediocre
I don't want no mediocre no
Bad bitches only
Ain't no mediocre
Don't want no mediocre
I won't hit no mediocre
You a bad bitch
Stuntin on the mediocre
Stuntin on the mediocre
Stuntin on the mediocre
7 bitches with me and ain't none of them mediocre
From they head to they toes they so far from mediocre
