

# Oops (feat. Charlie Puth)

## Little Mix

Oops, my baby, you woke up in my bed  
Oops, we broke up, we're better off as friends  
Now I accidentally need you, I don't know what to do  
Oops, baby, I love you It started with "what's up with you?"  
I messed around and got caught up with you  
Yeah, yeah, I don't know what to do  
I've got these feelings like it's nothing new  
Now I can't get enough of you, oh oh And when I think about the way you touch my body  
I don't know how long I can wait  
And when I think about the way you touch my body  
This could be my greatest mistake  
You've got me singing  
Oops, my baby, you woke up in my bed  
Oops, we broke up, we're better off as friends  
Now I accidentally need you, I don't know what to do  
Oops, baby, I love you We had a good run  
We messed around and had some good fun  
Guess it turns out I lost a good one  
'Cause now I'm wishing every morning would come  
With you next to me, baby And when I think about the way you touch my body  
This could be my greatest mistake  
You've got me singing Oops, my baby, you woke up in my bed  
Oops, we broke up, we're better off as friends  
Now I accidentally need you, I don't know what to do  
Oops, baby, I love you  
Now I accidentally know that you're in love with me too  
Oops, baby, I love you If it was up to me  
I would take a time machine to the day I said goodbye  
So, can we try again?  
We're official, more than friends  
No, don't you tell me goodbye  
You've got me singing Oops, my baby, you woke up in my bed  
Oops, we broke up, we're better off as friends  
Now I accidentally need you, I don't know what to do  
Oops, baby, I love you Now I accidentally know that you're in love with me too  
Oops, baby, I love you
