Flawless

Dorothy

You said you loved me but you threw me out in the garbage Now I'm starting to stink but everyone thinks I'm flawless Listen to me, I can't be what you want me to I just came like this, I'm already black and blueYou said you loved but you put my shit on the sidewalk You like it when I fall and you laugh when I run into the wall You gave nothing, I put my heart out on the table I wasn't always willing but baby I was always able, yeahOh... slipping into some kinda feeling Got me believing Oh... coming out of all of the darkness Now that I'm flawlessYou said I was the one but you married someone half your age She's a groupie ex-girlfriend with a plastic face You said you'd never go back to an old flame Well it's gonna make you sick when everybody hears my pain, yeah Oh... slipping into some kinda feeling Got me believing, baby Oh... coming out of all of the darkness Now that I'm flawlessNow that ICan you feel it Can you feel it, yeah Can you feel it Can you feel it, yeah Can you feel it Can you feel it, yeah Can you feel it Baby, can you feel it, yeahOh, slipping into some kinda feeling Got me believing, baby, yeah Oh, coming out of all of the darkness Now that I'm flawless Now that I'm Can you feel it baby? Now that I'm Oh can you feel it baby? Can you feel it, yeah Can you feel it, yeah Can you feel it, yeah Oh, now that I'm flawless
