She say she love my lolly  
She wanna make it pop

Ass everywhere  
Throw them dollars in the air  
Bring you swimming gear

She pop that pussy on her  
I fell back in the chair  
Bands a make her dance  
Molly make her lose them underwear  
Booty cheeks, I'm geeked (you know it)  
All her friends are freaks (you know it)  
And I think she love me

I drill it, slap it silly  
Need a super freak like Ricky  
I'm Rick James bitch  
I slip myself a Mickey  
Got so much money in my pocket  
With a real bad chick from the tropics

With silicone racks with a real big ass  
Make her bounce it like hydraulics  
Kept it hard, I got purple on the plane (we smoking)  
Let's call a bull (let's go),  
Let's run a train (trippy)She say she love my lolly
