## T.I.

You can tell how I walk I'm a boss (I'm a boss)  
You can tell how I speak I'm a king (I'm a king)  
You can tell how I walk, you can tell how I walk  
    You can tell how I speak, I'm a king  
You can tell how I walk I'm a boss (I'm a boss)  
You can tell how I speak I'm a king (I'm a king)  
You can tell how I walk, you can tell how I walk  
    You can tell how I speak, I'm a king1: T.I.  
    When I'm walkin' up, I'm bossin' up  
    And not even on purpose bruh  
    You talk too much, you soft as fuck  
    Your type I've seen it all too much  
    You don't want no boss, uh, and we knew it  
And life for you or we make you cough it up, and keep going  
    I welcome you to danger zone  
    Now you continue on at your own risk  
    And I ain't scary shit cause when it's on, it's on  
    And I ain't gonna be backing down for shit  
I'm ridin' chrome, going home with Hawaiian chick  
    I ran a major operation, you shit minor a bit  
    I walk like [?] designer cool cat around this bitch  
And when I speak to you, King shit is all you get, nigga  
    You can tell how I walk I'm a boss (I'm a boss)  
    You can tell how I speak I'm a king (I'm a king)  
    You can tell how I walk, you can tell how I walk  
    You can tell how I speak, I'm a king  
    You can tell how I walk I'm a boss (I'm a boss)  
    You can tell how I speak I'm a king (I'm a king)  
    You can tell how I walk, you can tell how I walk  
    You can tell how I speak, I'm a king2: Rick Ross  
Who fuckin' with fat boy, I traffic my body weight  
So much cake in the club damn near caught me a fair case  
    My old school is running Gatorade in my Chevy  
    My money is safe, I'm runnin' last [?]  
    We barricaded in front, the waterfalls in the back  
Enough crack for a month, you smell it all in my raps  
    Niggas wanna be famous, I want the luxury tax  
    Not one of my checks like my company facts  
I'm pumpin' my gas comin' down Cleveland Ave  
    How much a nigga worth? Ho don't even ask  
    Ten mill with Diddy, I'm getting money with Tip  
When you see me in the city then it's money we get

You can tell how I walk I'm a boss (I'm a boss)  
You can tell how I speak I'm a king (I'm a king)  
You can tell how I walk, you can tell how I walk  
    You can tell how I speak, I'm a king  
You can tell how I walk I'm a boss (I'm a boss)  
You can tell how I speak I'm a king (I'm a king)  
You can tell how I walk, you can tell how I walk  
    You can tell how I speak, I'm a king3: T.I.
