We ago mek it, mek it  
Win the prize and tek it, tek it  
We ago mek it, mek it  
Four corner, global We a strive and a reach fi wi goal  
Them a fight and spy through them in control  
Dem a real asshole, but a long time  
We a fight fi a slice of di bread  
Them a scheme and a dream and wish wi fi dead  
But a God have wi head and a just now  
We a scream and a cheer fi di team  
Them a plan how fi bench we and them rule supreme  
Like a dem one fi clean  
Well imagine we a try move out of the shack  
Them a cry and a spy and a try stop we clock  
Guess a who have wi back  
Tell them seh we bless, tell them we bless, tell them we bless  
Tell them we bless, tell them we bless, tell them we bless, tell them we bless  
Tell them seh we still have life wi nuh stress, God light shine on we on our quest  
Screw weh yuh hand waah pree we nuh press  
Bless up who down with we fuck the rest  
Tell them we nuh broke like dog and we nuh dest  
Money follow we like bees so them a guess  
How come we still look clean and dem a mess Eventually they will see who is watching over me  
Mek we shine like stars above  
And give love to who show us love to  
We fly high like the morning dove  
Cause da rich look  
Ya fit like glove  
Still I say  
We a strive and reached fi wi goal  
Them a fight and spite through them in control  
Dem a real ass hole but a long time  
We a fight fi a slice of dibread  
Them a scheme and a dream and wish wi fi dead  
But a god have wi head and a just now  
We a scream and a cheer fi di team  
Them a plan how fi bench we and them rule supreme  
Like a dem one fi clean  
Well imagine we a try move out of de shack  
Them a cry and a spy and a try stop we clock  
But guess a who have wi back Tell them seh we bless, tell them we bless, tell them we bless  
Tell them we bless, tell them we bless, tell them we bless, tell them we bless

But a god have wi head and a nuh just now  
We a scream and a cheer fi di team  
Them a plan how fi bench we and them rule supreme
