Fitzpleasure

alt-J

Tra, la, la, in your snatch fits pleasure
Broom-shaped pleasureDeep greedy and Googling every cornerTra la la la
Dead in the middle of the C-O double M-O-N
Little did I know thenThat the Mandela Boys soon become Mandela Men
Tall woman, pull the pylons down and wrap them around
The necks of all the feckless men that queue to be the next
Steepled fingers, ring la la la leaders, queue jumpersRock fist paper scissors, la la la lingered fluffers

In your hoof lies the heartland
Where we tent for our treasure, pleasure, leisure
Les yeux, it's all in your eyes
In your snatch fits pleasure, broom-shaped pleasure
Deep greedy and Googling every corner
Tra la la la

Ohhhhh
Blended by the lights
