

# Original Sin

INXS

You might know of the original sin  
And you might know how to play with fire  
But did you know of the murder committed  
In the name of love - yeah  
You thought what a pity Dream on white boy  
Dream on black girl  
And wake up to a brand new day  
To find your dreams have washed away There was a time when I did not care  
And there was a time when the facts did stare  
There is a dream and it's held by many  
Well I'm sure you had to see  
It's open arms  
Dream on white boy  
Dream on black girl  
And wake up to a brand new day  
To find your dreams have washed away You might know of the original sin  
And you might know how to play with fire  
But did you know of the murder committed  
In the name of love - yeah  
You thought what a pity Dream on white boy  
Dream on black girl  
Then wake up to a brand new day Dream on black boy  
Dream on white girl  
And waked up to a brand new day  
To find your dreams have washed away  
Dream on black boy  
Dream on white girl  
And wake up to a brand new day  
To find your dreams are washed away Dream on, play with fire  
White boy, black girl  
Dream on, in the name of love  
Black boy, white girl Dream on, white boy, black girl  
Black boy, white girl Dream on, the name of love - yeah  
You thought what a pity
