

# Don't Think Twice

Mike Ness

Well it ain't no use to sit and wonder why,  
If you don't know by now  
An' it ain't no use to sit and wonder why,  
It don't matter, anyhow  
When the rooster crows at the break of dawn  
Look out your window and I'll be gone  
You're the reason I'm trav'lin' on  
But don't think twice, it's all right  
An' it ain't no use in turnin' on your light,  
A light I never knowed  
An' it ain't no use in turnin' on your light,  
I'm on the dark side of the road  
Well I wish there was somethin' you could do or say  
To make me wanna change my mind and stay  
We never did much talkin' anyway  
But don't think twice, it's all right  
An' it ain't no use in callin' out my name,  
Like you never did before  
An' it ain't no use in callin' out my name,  
I can't hear you any more  
Well I'm a-thinkin' and a-wond'rin' all the way down the road  
I once loved a woman, a child I'm told  
I gave her my heart but she wanted my soul  
But don't think twice, it's all right  
Well I'm goin' down that long, lonesome road,  
Where I'm bound, I can't tell  
But goodbye's too good a word,  
So I'll just say fare thee well  
Well I ain't sayin' you treated me unkind  
I coulda done better but I don't mind  
You just kinda wasted my precious time  
But don't think twice, it's all right  
Yeah don't think twice, it's all right  
Yeah don't, think twice  
Don't you ever, think twice,  
Yeah don't, think twice, it's alright
