

# How It's Supposed to Be

Mike Posner

[Verse 1]

I think I'll buy a gun and blame it on my hometown  
It's so cold in the deep

She asked me if I think I'll ever see her again

I say hopefully [Chorus]

Maybe that's how it's supposed to be

Maybe that's how it's supposed to be [Verse 2]

My heroes all died young, they hung themselves with fame  
And these lunatics, more than me

I got a tattoo, it's a joke I keep a secret

I need everyone to know it is me

[Chorus]

But maybe that's how it's supposed to be

Maybe that's how it's supposed to be

Maybe that's how it's supposed to be

Maybe that's how it's supposed to be [Bridge 1]

I think I'll die young

With all my broken dreams

I've got it figured out

This is the golden key

Everything is how it's supposed to be

I think this is how it's supposed to be [Verse 3]

We messed it all up, now the world is getting warmer

Soon, L.A. will be out at open sea

Meanwhile, I'm falling down, my heart is getting colder

I heard everyone close to me

[Chorus]

But maybe that's how it's supposed to be

Maybe that's how it's supposed to be

Maybe that's how it's supposed to be

Maybe that's how it's supposed to be [Bridge 2]

I think I'll die young

With all my broken dreams

I've got it figured out

This is the golden key

The day my daddy died

I was down the street

I lost my only friend

People don't grow on trees

But maybe that's the way it's supposed to be

Yeah, I think that's the way it's supposed to be

Woo

Woah, woah

Woah, woah

Woah, woah[Outro]

Yeah, everything is how it's supposed to be

I think this is how it's supposed to be
