

# My Choppa Hate Niggas

## 21 Savage & Metro Boomin

[Verse 1]

I can show you how to fit a M in a duffel  
Show you how to fit a hunnid bags in a duffel  
Went and bought a Demon nigga, just to burn rubber  
Bitch you bad as fuck I might just hit you with no rubber  
On that Slaughter Gang shit, bitch we knife talkin'  
Nigga, I ain't makin' no diss songs, we be white chalkin'  
All my niggas dogs and we like to bite, don't it?  
Glock 30, .45, with the mic on it  
Goin' brazy, niggas think I need a psych, don't it  
If I can't finesse 'em, I'mma put the pipe on 'em  
Niggas pussy, they can't wait to turn to mice on ya  
12 catch ya, they gon' put the blue lights on ya

[Chorus]

Hang around a lot of gang bangin' ass niggas  
Crip, Blood, blue or red, what you bang nigga?  
You might got a pistol but this stick is way bigger  
I call it KKK, 'cause my choppa hate niggas  
Hang around a lot of gang bangin' ass niggas  
Crip, Blood, blue or red, what you bang nigga?  
You might got a pistol but this stick is way bigger  
I call it KKK, 'cause my choppa hate niggas [Verse 2]  
You do a lot of talkin' nigga, not me  
Do a lot of walkin' nigga, that's me  
Finna open up a morgue, all this damn beef  
Choppa with the sword, Game of Thrones .223  
Max out, Tee Tay down the road, finna max out  
Late night, pullin' in the 'partments, all the scraps out  
Scraps out, make the wrong move, get clapped out  
Don't you think I'm slippin' just because a nigga rap now  
Got a hoodie man, I'm the boogie man  
We on that bullshit man, walk around with Uzis man  
This a Mulsanne, not a Mustang  
Let the .30 hang, nigga I'm so gang

[Chorus]

Hang around a lot of gang bangin' ass niggas  
Crip, Blood, blue or red, what you bang nigga?  
You might got a pistol but this stick is way bigger  
I call it KKK, 'cause my choppa hate niggas  
Hang around a lot of gang bangin' ass niggas  
Crip, Blood, blue or red, what you bang nigga?  
You might got a pistol but this stick is way bigger

I call it KKK, 'cause my choppa hate niggas[Outro]
