

Trust (Plastic Plates Remix)

What So Not & Burns

If I know your name, I would call it
And if you caught my eye, I would act surprised
Cause we could watch this love, from the sidelines
Or we could take a chance, and at least we'd tried
What's That line? It's hard for me to trust you
When all I see, is your hand and mouth (?)
And all I need is for you, to trust me
Come closer, come closer, I need you here right by my side
It's hard for me to
It's hard for me to
It's hard for me
It's hard for me to
It's hard for
Well you could leave me, only for a moment
Whisper in my ear, that it's you and I
Then you'd wake me up, when it's over
When I'm in too deep, and I've lost my mind
It's hard for me to trust you
When all I see, is your hand and mouth (?)
And all I need is for you, to trust me
Come closer, come closer, I need you here right by my side
