

# Pneuma

## TOOL

We are spirit bound to this flesh  
We go round one foot nailed down  
But bound to reach out and beyond this flesh, become Pneuma  
We are will and wonder, bound  
to recall, remember  
We are born of one breath, one word  
We are all one spark, sun becoming  
Child, wake up  
Child, release the light  
Wake up now  
Child, wake up  
Child, release the light  
Wake up now, child  
(Spirit, Spirit, Spirit, Spirit)  
Bound to this flesh, this guise, this mask, this dream  
Wake up remember  
We are born of one breath, one word  
We are all one spark, sun becoming  
Pneuma  
Reach out and beyond  
Wake up remember  
We are born of one breath, one word  
We are all one spark, eyes full of wonder
