

Just Be Held

Casting Crowns

Hold it all together
Everybody needs you strong
But life hits you out of nowhere
And barely leaves you holding on
And when you're tired of fighting
Chained by your control
Theres freedom in surrender
Lay it down and let it go
So when you're on your knees and answers seem so far away
You're not alone, stop holding on and just be held
Your worlds not falling apart, its falling into place
Im on the throne, stop holding on and just be held
Just be held, just be held
If your eyes are on the storm
You'll wonder if I love you still
But if your eyes are on the cross
You'll know I always have and I always will
And not a tear is wasted
In time, you'll understand
Im painting beauty with the ashes
Your life is in My hands
So when you're on your knees and answers seem so far away
You're not alone, stop holding on and just be held
Your worlds not falling apart, its falling into place
Im on the throne, stop holding on and just be held
Just be held, just be held
Lift your hands, lift your eyes
In the storm is where you'll find Me
And where you are, Ill hold your heart
Ill hold your heart
Come to Me, find your rest
In the arms of the God who wont let go
So when you're on your knees and answers seem so far away
You're not alone, stop holding on and just be held
Your worlds not falling apart, its falling into place
Im on the throne, stop holding on and just be held
Just be held, just be held
